

2022 All Star Games

This event was created to celebrate the athletes – boys and girls - who are currently in the 8th grade.

The date for the All-Star Games this year will be Sunday, January 23. The games will be held at West Valley High School.

The 8th grade head coaches are eligible to nominate the players in their respective division.

- The player nominated must be a **current 8th grader**.
- Each head coach **must** nominate 4 players – two players from his or her team and two other players from the other current 8th grade teams. Seventh grade teams or players playing up are not eligible to participate in the year's All-Star games – they will be eligible the following year. However, the coaches playing up may nominate four - 8th grade players, since they are competing against them this season.
- You can either provide us with the player's name or the team's name and jersey # - the player wears.
- **All votes must be in the office by January 14, 2022 - by the close of business 5:00 p.m.**
- The teams will be announced once the votes are tabulated.
- At that time – additional details will be provided to the members of the selected teams.
- Email your votes to: giff@spokanehoopfest.net.

We believe this will be a marvelous experience for the participants and will create one more memory of their AAU basketball days.
